News for the BEST CPs in the Country

2015
[spring]

**Letter From
Scott Milnes**

Dear Contractor Partner,

Spring is finally here! We first wish to thank each and every one of our hard-working Contractor Partners for a record breaking winter. Mother Nature sure kept us busy, and now it's time for warmer weather, bbq's, family vacations and fun. But first we'd like to announce our 2015 Snow CP's of the year awards!

Our QSM's have selected the following CPs for their exceptional customer service, communication and overall performance. To

acknowledge their achievements, DENTCO will reward each of these companies with a plaque and monetary gift. We thank and congratulate each of you on a job well done!

Now, let's all enjoy the warming weather and put thoughts of snow drifts far in the backs of our minds.

Kind regards,
Scott Milnes
